Term 3 Week 5 Friday 14th August 2026

Annunciation Catholic Primary School promotes the safety, wellbeing and inclusion of all students.

A MESSAGE FROM THE PRINCIPAL

We've reached the halfway point of the term already, and there certainly hasn't been any slowing down here at Annunciation! With another busy and exciting week ahead, there is plenty happening both inside and outside the classroom. Our students continue to embrace their learning with enthusiasm, while making the most of the many wonderful opportunities that come their way.

Book Week Parade – Monday

It's time to dust off the capes, find the wands, practise those character voices and spend the weekend finalising those costumes! We can't wait to see the wonderful creativity on display as our students (and perhaps a few staff!) bring their favourite book characters to life.

Feast of the Assumption Mass – Tuesday

On Tuesday, 18 August, we will come together as a whole school community to celebrate the Feast of the Assumption. It is always a beautiful opportunity to pause, pray and celebrate our faith together. Please join us at 11:50 am.

Whole School Excursion – Wednesday

Then it's off to the city! Our whole school will be heading into Melbourne on Wednesday as part of our learning beyond the classroom. We're looking forward to a wonderful day of exploration, discovery and, hopefully, some very tired students (and teachers!) on the journey home! Pray for some good weather.

Tony's Pies – Thursday

And just when we thought the week couldn't get any busier... the pies arrive! Tony's Pies will be delivered on Thursday, so make sure you have plenty of room in the freezer! You have until **midnight Monday 17th August** to place your orders. More information later in the newsletter.

Amidst all of this excitement, our classrooms will continue to be buzzing with great learning, rich conversations and plenty of opportunities for our students to grow, challenge themselves and discover something new. It's wonderful to see our students settling into the term with such enthusiasm and making the most of the learning opportunities around them.

So, Annunciation families, get your costumes ready, pack your bags, say a little prayer for the teachers and make some room in the freezer...

What a busy week ahead! We wouldn't have it any other way

Take care,

Anna
Principal

STAFF NEWS

Marta Llorens Martin (LSO) will be leaving Annunciation on Tuesday 18th August. Marta has made the decision to return home to Spain with her young family. We sincerely wish Marta and her family all the very best as she embarks on this journey and we thank her for the support she has provided to both teachers and students over the past few years. "Adios" Marta.

ST MARY MACKILLOP AWARD

We are delighted to announce this year's recipient of the St Mary MacKillop Award, an award that recognises a student who truly embodies the qualities and values of St Mary MacKillop. St Mary MacKillop was a woman of deep faith who lived with courage, compassion, humility, resilience and a genuine commitment to helping others.

The recipient of this award demonstrates these same qualities through the way they treat others, approach challenges and contribute to our school community. They lead by example, showing kindness, honesty and integrity, and consistently put the needs of others before themselves. They approach each day with a quiet determination and are always willing to lend a helping hand. Most importantly, they understand that challenges and disappointments are a natural part of life and have developed the confidence and resilience to respond to these moments with grace and perseverance.

We are incredibly proud to recognise **Max Innella** as this year's St Mary MacKillop Award recipient and congratulate him on this wonderful achievement. May Max continue to be inspired by St Mary MacKillop's example to "never see a need without doing something about it."

CONGRATULATIONS TO OUR CONFIRMATION CANDIDATES

Congratulations to our Year 6 students who received the Sacrament of Confirmation last Sunday at St Augustine's Church. It was a beautiful and meaningful Mass, concelebrated by Bishop Martin Ashe and Fr Werner, and a wonderful celebration of faith for our candidates, their families and our wider school and parish community.

We are incredibly proud of the way our students prepared for this important sacrament and of the reverence, maturity and enthusiasm they demonstrated throughout the celebration. Confirmation marks an important step in their faith journey as they continue to grow in their relationship with God and are strengthened by the gifts of the Holy Spirit.

We thank our families, parish community, staff and all those who supported our students throughout their sacramental preparation. Congratulations! May the Holy Spirit continue to guide, strengthen and inspire you as you live out your faith with courage and confidence.

SCHOOL UNIFORM REMINDER

Our school uniform is an important part of our identity and helps foster a sense of pride, belonging and equality within our school community. We appreciate the support of families in ensuring students attend school each day wearing the correct uniform.

A reminder that students are required to wear **plain black school shoes/runners**. Shoes with coloured logos, stripes, soles or decorative features do not meet our uniform expectations.

Grey socks are to be worn with grey shorts/trousers, **navy blue socks/tights** with the Winter pinafore & **white socks** with the Summer dress and sports uniform.

We understand that there may occasionally be circumstances where a student is unable to wear the correct uniform. If this occurs, please notify your child's classroom teacher and endeavour to replace or purchase the required uniform item as soon as possible.

Thank you for your ongoing support in helping maintain our high standards and ensuring a consistent approach to our school uniform expectations.

MSP PHOTOGRAPHY

MSP Photography will be returning to our school on **Monday, 24 August 2026** to take **sibling photos** for any families who didn't place an order.

If you would like to have your children's sibling photo taken, **please contact MSP Photography** directly to make arrangements:

MACSSIS SURVEY

Melbourne Archdiocese Catholic Schools – School Improvement Surveys (MACSSIS) are conducted annually for Catholic schools in the Archdiocese of Melbourne. This year's MACSSIS window is from **Monday 31 August to Friday 18 September 2026**.

MACSSIS is a low impact, high return set of tools for creating, collecting, analysing, interpreting and using data to inform Catholic school improvement. MACSSIS produces **perception data**. This data tells us about what different people in a school community think and feel about their learning environment.

The surveys gather data from:

- students in Years 4–12
- families
- teachers and non-teaching staff.

Survey questions cover several domains, which vary across the student, family and staff datasets.

Keep an eye out for your letter!

CHILD SAFETY

In this edition of the newsletter, you will find information about Child Safe Standard 6. We encourage all families to take the time to read and become familiar with this important standard, as understanding our shared responsibility helps us to keep every child safe.

The Child Safe Standards are a set of 11 requirements that organisations must follow to create environments where children feel safe, supported, and respected. They focus on preventing, responding to, and reporting concerns about child safety, ensuring that the wellbeing of every child is always the highest priority. Developed in response to recommendations from Royal Commissions, these standards guide schools in building a strong culture of care and accountability.

Child Safe Standard 6

"People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice."

As Catholic educators, we have a moral, mission-driven and legal responsibility to uphold and actively promote the wellbeing and safety of every student entrusted in our care. Our commitment to the protection of students involves ensuring families and community members actively participate in promoting and upholding child safety and wellbeing. Our Catholic communities develop, review and uphold robust systems, processes, and policies that support staff and volunteers to act with professionalism, integrity, and care; ensuring child safety and wellbeing are embedded in all aspects of school life.

This newsletter series provides an overview of what the Child Safe Standards are, how they are designed to help keep children and young people safe and what schools governed by Melbourne Archdiocese Catholic Schools (MACS) are doing to prioritise and achieve this.

Why is it important that all adults who work with children are suitable and supported?

Everyone who works with or around children has a responsibility to act with integrity, care, and accountability. When staff, volunteers, leaders, and contractors are suitable, supported, and well-informed about child safety, **children feel safe, valued, and able to thrive.**

Schools can uphold high standards of safety and wellbeing when all adults understand their roles, follow clear expectations, and receive ongoing guidance and supervision. This shared responsibility ensures that children experience **consistent, safe, and respectful interactions every day.**

Child Safe Standard 6

Child Safe Standard 6 reminds us that everyone who works with children has a responsibility to act with integrity, care, and trustworthiness.

As 1 Corinthians 4:2 teaches, "Now it is required that those who have been given a trust must prove faithful." This scripture highlights that safeguarding children is a sacred trust, and we are called to be faithful stewards of their wellbeing.

By ensuring that all staff, volunteers, and leaders are suitable, supported, and accountable, the standard helps us live out this trust every day, creating a safe, nurturing environment where children can thrive.

Child Safe Standard 6 focuses on ensuring that adults are carefully selected, appropriately trained, and are supported to maintain high standards of child safety. It recognises that safeguarding is not just about rules, but about everyday behaviours, professional conduct, and living out our shared responsibility to protect children.

Working together for Child Safety

What does this look like in a school environment?

- **Recruiting safely:** We ensure all staff undergo thorough screening, including thorough background checks, reference checks, and interviews, to make sure they are suitable to work with children. As part of this, we ensure that all staff hold and maintain appropriate professional qualifications and registrations, including current Working with Children Check (WWCC) or Victorian Institute of Teaching (VIT) registration, in line with the Workforce Screening and Accreditation Policy.
- **Providing clear expectations:** Everyone is informed about the school's child safety policies and procedures, professional standards, code of conduct, and reporting responsibilities.
- **Ongoing support and guidance:** Staff and volunteers receive annual induction, professional learning, mentoring, and supervision to help them maintain safe and respectful practices.
- **Accountability in practice:** We encourage adults to speak up if they have concerns, follow clear reporting pathways, and model behaviours that prioritise children's wellbeing. We also ensure that professional qualifications and registrations are maintained.

How Parents, Carers and Guardians can get involved!

Child Safe Standard 6 ensures that all adults are carefully selected, appropriately trained, and supported in keeping children safe.

Families can help by:

- **Knowing who works with your child:** Be aware of the staff, volunteers, and other adults involved in your child's learning and care
- **Asking questions:** Check that adults in your child's life have the training and support to maintain child safety standards
- **Staying informed:** Read updates from the school about professional learning and child safety initiatives
- **Partnering with the school:** Share observations, concerns, or ideas that might help all in our community ensure interactions are safe and supportive.

Monday's Book Week Parade

The **vibrant and colourful Annunciation Book Week Parade** is happening this coming **Monday morning!**

For many children, it ranks as one of their favourite days of the school year. They love dressing up and creatively representing a favourite book character — many like to keep their character choice a secret until the big day!

There has already been a chorus of praise when children were asked what they love about the Parade:

Noah: "You get to see what types of books and genres people like, and you see how they like to express themselves through their costumes."

Ivy I: "It's fun because you get to see what your friends look like."

Chloe: "It's amazing to see what other people dress up as."

Max P: "It's fun and no one judges you for who you dress up as."

So, parents, please join us for our fabulous parade, which will follow directly after our 9.00am assembly. The parade celebration will continue until at least 10.00am.

This year's theme is slightly musical — **"Symphony of Stories"** — so children's costumes can be inspired by a musical, a musical instrument or, of course, simply their favourite book character.

We can't wait to see the incredible creativity, imagination and love of books on display. Bring on Book Week!

YEAR 2, 3, 5 & 6 TRIP TO THE COMMUNITY GARDEN

This week our Year 2/3 and Year 5/6 students enjoyed a visit to our local community garden! The students rolled up their sleeves and got stuck into some important gardening jobs, including weeding our planter boxes, turning the soil, digging shallow rows, planting seeds and giving everything a good drink of water.

We planted a variety of root vegetables and some herbs, including parsley, carrots, beetroot and radishes. It was fantastic to see students working together, getting their hands dirty and learning about where our food comes from.

Now comes the hard part... waiting! Let's hope something grows! We can't wait to see what our garden produces.

A photograph of two young female hockey players in action on a green field. They are wearing gold and red jerseys with 'HOCKEY' and 'HOCKEY' visible on the front. They are both leaning forward, holding their hockey sticks, and appear to be competing for the ball. The player on the left is wearing red socks and the player on the right is wearing blue socks. In the background, another player in a gold jersey is visible, holding a hockey stick. The overall scene is dynamic and energetic.

Annunciation OSHC - Brooklyn

Term3

A message from the team

Without even leaving OSHC, our little travelers went on an exciting adventure around the world!

The children designed and created their very own pretend passports, complete with their names, photos, and travel details. They used their imagination to pretend they were travelers visiting different countries, sharing places they would love to visit, and creating their own travel stories.

To make the experience even more realistic, the children visited our "pretend post office" to have their passport photos taken. And, just like a real passport photo, there were *no big smiles or silly faces allowed!*

The children got creative and made their own paper puppets! The children used their imagination to draw themselves, their parents, and other loved ones. Check out our little artists' amazing work! ★
