Term 2! Week 1, Friday 24th April 2026

Annunciation Catholic Primary School promotes the safety, wellbeing and inclusion of all students.

## A MESSAGE FROM THE ACTING PRINCIPAL

Welcome back to Term 2! I hope that you have had a lovely Easter break and some valuable family time together. As we continue our journey through the **Easter Season**, we reflect on the themes of renewal and hope. For the next 50 days, our school community celebrates the promise of new beginnings. We encourage our students to carry the 'Easter Spirit' by showing kindness, being a light to others, and remembering that every challenge can lead to a beautiful new start.

It is wonderful to see our students back in the classrooms with such big smiles and ready-to-learn attitudes! Term 2 is always a special time at school. It's when all that hard work from the start of the year really starts to "click."

As we begin this busy term, we also keep **Anna** in our thoughts and prayers while she recovers from surgery. Although this isn't the start to the term she had envisioned, we are incredibly fortunate to have such a dedicated staff. Their commitment to working collaboratively—not only with each other but also in close partnership with our families—ensures that every child continues to feel supported, motivated, and ready to flourish.

As we look ahead to ANZAC Day this Saturday, April 25th, our students joined together this morning in a special moment of prayer and reflection. It was a moving opportunity for us to honor the courage and sacrifice of all those who have served to bring peace to our world.

ANZAC Day is a significant national day of remembrance in Australia and New Zealand. It marks the anniversary of the landing of the Australian and New Zealand Army Corps (ANZAC) at Gallipoli in 1915 during World War I. On this day, we honour the courage, sacrifice, and service of all men and women who have served, and continue to serve, our country in times of war, conflict, and peacekeeping.

### Let us pray

Loving God,  
We remember with gratitude the brave men and women who served our country with courage and sacrifice.  
We pray for those who lost their lives, for those who returned home, and for all who continue to serve today.  
Help us to be people of peace, showing kindness, courage, and respect to others. May we always be thankful for the freedoms we enjoy.  
We ask this through Christ our Lord.

Take care,

**Lucy**  
**Acting Principal**

a positive dental experience

We're excited to announce that Teeth On Wheels will be **visiting our School on Thursday 11<sup>th</sup> June 2026** to provide dental check-ups and oral health education to students.

Teeth On Wheels is all about making dental care fun and stress-free while teaching children the importance of oral health. They specialise in working with children, offering services such as check-ups, cleans, and more—right here at the School! The team is specially trained to provide compassionate and tailored care for neurodiverse patients, ensuring a respectful and supportive experience for everyone.

If eligible under the Child Dental Benefits Schedule (CDBS), your child may even receive FREE dental care.

**The forms were sent home with students this week. If you would like your child to participate in the programme, please fill up the forms and return it to the class teacher by 7<sup>th</sup> May.**

Thank you once again for all the support you have provided for Caritas Australia. We have raised a total of **\$332.35** which is a wonderful effort for a school of our size.

## SCHOOL ABSENCES

**This is a reminder that** in order to support accurate attendance records and student safety, parents and carers are asked to notify the school of any absences **before 9:15 am** on the day. **This can be done by calling the school office, sending an email to the office and class teacher, or submitting the absence through the Audiri app.** Absences also include coming into school later due to an appointment or an early pick up. When notifying the school, please provide a brief reason for the absence. All absences must be recorded under specific categories such as illness, medical appointments, bereavement, cultural reasons, or other approved circumstances.

We understand that children will occasionally be unwell, and in these situations it is always best for them to remain at home and recover. Where possible, families are encouraged to schedule medical appointments before or after school hours, or during school holidays, and to plan family holidays outside of the school term. These small steps help ensure that students are able to attend school regularly and make the most of every learning opportunity.

## COMMUNICATION

We kindly remind all members of our school community of the importance of maintaining a respectful and courteous tone when communicating with staff via email. Clear and concise messages are always appreciated, as they help staff respond as efficiently as possible.

We also ask that emails be sent during school hours where possible; if inspiration strikes after hours, most email platforms allow you to “schedule send” so your message arrives at a more appropriate time. Our staff are committed to supporting you and will always endeavour to respond as soon as practicable.

Thank you for your understanding and for helping us maintain a positive and professional communication culture.

## CHILD SAFETY STANDARDS

In this edition of the newsletter, you will find information about **Child Safe Standard 3**. We encourage all families to take the time to read and become familiar with this important standard, as understanding our shared responsibility helps us to keep every child safe.

The Child Safe Standards are a set of 11 requirements that organisations must follow to create environments where children feel safe, supported, and respected. They focus on preventing, responding to, and reporting concerns about child safety, ensuring that the wellbeing of every child is always the highest priority. Developed in response to recommendations from Royal Commissions, these standards guide schools in building a strong culture of care and accountability.

## Child Safe Standard 3

**“Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.”**

As Catholic educators, we have a moral, mission-driven and legal responsibility to uphold and actively promote the wellbeing and safety of every student entrusted in our care. Our commitment to the protection of students is enabled in nurturing, respectful and safe communities where the uniqueness and sacred dignity of every young person are celebrated, and they can flourish in their learning and development.

This newsletter series provides an overview of what the Child Safe Standards are, how they are designed to help keep children and young people safe and what school governed by Melbourne Archdiocese Catholic Schools (MACS) are doing to prioritise and achieve this.

### Overview of Child Safe Standard 3:

To be aligned, schools must support the following:

- Children are informed about all their rights, including safety, information and participation
- The importance of friendship is recognized and support from peers is encouraged
- Where relevant to setting or context, young people are offered access to sexual abuse prevention programs in an age-appropriate way
- Staff are attuned to signs of harm and facilitate child friendly ways for children to express their views, participate in decision making and raise their concerns
- Organisations have strategies to develop a culture that facilitates participation and are responsive to input from children and young people.

### The Child Safe Standards

The Child Safe Standards are a set of guidelines that help organisations create safe environments for children and young people.

They make sure that children are protected from harm, listened to, and respected. These standards require organisations to have strong leadership, clear policies, and a culture that puts children first.

As a parent or carer, you can expect organisations to involve families, empower children, train staff properly, and respond to concerns quickly and respectfully.

This standard focuses on empowering children and young people by ensuring they are informed, respected, and actively involved in decisions that affect them. This participation helps build a school culture that is safe for them and values their voice.

### What does this look like in a school environment?

- **Creating Opportunities for Student Voice:** We create formal structures such as student councils and leadership programs, but we also include fewer formal opportunities so all students, especially the most vulnerable, can have their voice heard.
- **Acting on Student Feedback:** We listen deeply to what students are telling us and we respond to concerns, suggestions and ideas. This includes making sure students are aware when we have acted on their feedback.
- **Building Staff Capacity:** Our staff receive professional learning, so they understand the importance and benefits of listening to and responding to, student voice. This also includes training for staff regarding how to incorporate student voice, agency and empowerment in their daily interactions and decision making.

### How Parents, Carers and Guardians can get involved!

- **Listen and talk often:** Encourage your child to share their thoughts and feelings. Let them know it's always ok to speak up.
- **Talk about rights and safety:** Help your child understand that everyone deserves to feel safe and respected.
- **Be a role model:** Show kindness, respect, and inclusion in everyday life, children learn from what they see.
- **Stay connected with the school:** Take part in conversations or surveys about student wellbeing and safety.
- **Support student voice:** Encourage your child to get involved in school activities where their ideas can make a difference.

### Want to know more?

If you have any questions or would like to learn more about how we're supporting child safety, please get in touch.

## GARDENING CLUB

First meeting of term 2, the students planted 5 native trees along the boundary fence. Hopefully these grow nice and tall with some watering and sunshine.

We also dug lots of compost through the veggie patch ready for the winter crop to be planted next week.

Some lucky students got to harvest our capsicum. Yum!

## THANK YOU TO ALTONA GREEN PRIMARY SCHOOL

We would like to thank the Principal of Altona Green Primary School for their donation of classroom tables for our Year F/1 and 4/5 classes. These rectangular tables are a fantastic addition to our classrooms, offering a more spacious and practical layout for student learning

We now also have a collection of spare tables that we no longer need. If you would like to have one/a few of these tables for free please send an email to [office@asbrooklyn.catholic.edu.au](mailto:office@asbrooklyn.catholic.edu.au) and we can organise when to pick them up.

# CLASSROOM CUISINE – Term 2

Pepperoni Pizza, Vegetable Pastie with Tomato Sauce, Cheese & Salad Roll and a Mexi Style Wrap with Chicken, Salsa, Cheese, Salad & Corn Chips to our main course items. Please note, the Pepperoni Pizza is made with beef pepperoni not pork, and is therefore Halal.

Our subsequent courses now include a Passionfruit Melting Moment from the Red Hill Cookie Co., and Mango Chutney with Vege Chips, which are absolutely delicious. Due to their popularity, our Hot Cross Buns have been replaced with "Not" Cross Buns, which are the same recipe but without the cross! Also, our Dried Pineapple Pieces by local start up business, "Peels", which we introduced last term, have been super popular and will continue in Term 2.
