Term 3 Week 7 Friday 28th August 2026

Annunciation Catholic Primary School promotes the safety, wellbeing and inclusion of all students.

A MESSAGE FROM THE PRINCIPAL

What a busy few weeks it has been at Annunciation! From our Book Week celebrations and parade, to our whole-school excursion into the city, the celebration of the Feast of the Assumption and the arrival of our Tony's Pies orders, there has certainly been plenty happening both inside and outside the classroom. We are incredibly proud of the enthusiasm our students have shown throughout these special events, while continuing to engage in great learning each day. After such a busy period, we are certainly looking forward to some slightly quieter weeks ahead!

As we now look forward to **Father's Day**, we also take the opportunity to recognise and celebrate the important role that dads and father figures play in the lives of our children. Whether it is offering encouragement, sharing a laugh, providing guidance, cheering from the sidelines or simply being there when needed, these relationships play an important part in helping our children grow and flourish. We look forward to celebrating all of the wonderful dads, grandfathers and special father figures in our school community in the weeks ahead.

We would love to invite all dads and special father figures to join us on **Monday, 31st August** for a **Father's Day Breakfast at 8:00 am** followed by a **special Father's Day Assembly at 8:55 am**. Our students are busy preparing a special performance to help celebrate the wonderful men in their lives, and we look forward to sharing this occasion with our school community. We hope to see as many dads, grandfathers and special father figures as possible joining us for what is sure to be a memorable and enjoyable celebration!

Take care,

Anna
Principal

COMMUNITY FAIR

The Countdown Is ON!

The excitement is building, and planning for our Community Fair is well and truly underway! We are delighted to welcome Sophia, our wonderful Community Fair organiser, to our assembly on 14th September, where she will share an exciting update about what families can expect and give us a little glimpse into all the fun that is being planned.

With plenty happening behind the scenes, this will be a great opportunity to hear more about the Fair, how preparations are coming along and how our school community can get involved. We would love to see as many parents and family members as possible at this special assembly to show your support and share in the excitement!

As an added bonus, this will also be our last assembly for the term, so we hope you can join us as we finish the term together and start counting down to what promises to be a fantastic Community Fair.

CAN YOU TURN A NEGATIVE INTO A POSITIVE?

Looking for the positive does not mean ignoring or pretending that difficult feelings do not exist. It is important to acknowledge when we are disappointed, frustrated or upset.

Instead, it means recognising how we feel and then asking ourselves:

“Is there another way I can look at this?”

For example:

Negative: “My dinner plans were cancelled. I’m so disappointed.”

Positive: “My plans have changed, but it’s raining outside, so I can stay home, get cosy and enjoy a movie instead.”

The situation has not changed – but the way we choose to respond to it has. Sometimes, a small shift in perspective is all it takes to discover something positive in an experience that initially felt disappointing.

BUILDING POSITIVE AND RESPECTFUL RELATIONSHIPS

The way we think and respond also influences the relationships we have with others.

When we encourage one another, celebrate each other’s successes, notice the good in others and look for solutions rather than focusing on problems, we contribute to a kinder, more respectful and supportive community.

Positive relationships are built through the small choices we make every day.

So, let’s challenge ourselves and each other:

“How can I turn this negative into a positive?”

- Could you help a friend find a positive perspective when they are feeling disappointed?
- Could you notice something someone has done well and take the time to acknowledge it?
- Could you choose kind and respectful words when you are feeling frustrated?
- Could you be the person who encourages someone else when they need it most?

These simple actions can have a lasting impact.

As we move towards brighter days and the end of winter, let’s not allow the gloomy weather to influence our outlook. Instead, let’s focus on gratitude, kindness, encouragement and the positives that surround us each day.

We cannot always control what happens, but we can choose how we respond.

Let’s make it our challenge: Find the positive. Share the positive. Be the positive.

Stephanie Veltre
Learning Diversity/Wellbeing/MHiPS Leader

PARENTS AND FRIENDS NEWS:

A huge thank you to all of our families who supported our recent Pie Drive. Thanks to your generosity, we raised an amazing **\$512** for our school! We are incredibly grateful for every order placed and for the support of our wonderful school community.

Fundraising initiatives such as this help bring our community together while also supporting important projects and opportunities for our students. Thank you once again for your continued support!

FATHER'S DAY STALL

Father's Day Stall

A special day to celebrate dads and father figures

With Father's Day just around the corner, we are looking for some wonderful parent volunteers to help make our Father's Day Stall a success! **We need volunteers to assist with setting up the stall at 2:30 pm on Thursday 3rd September and also to help run the stall from 9:00-10:00 am on Friday 4th September.**

If you are available to lend a hand, please email Naina in the office at npadukone@asbrooklyn.catholic.edu.au to let us know. Your support is greatly appreciated and helps us create a fun and memorable Father's Day experience for our students.

Please note that all volunteers must have a current Working with Children Check (WWCC).

We'd love to have you join us!

THE BEST DADS DESERVE THE BEST!

Come and find the perfect gift!

**Annunciation Primary School,
Brooklyn**

LEARNING AND TEACHING

Our recent whole school excursion to the Melbourne Museum was packed with discovery, new learning, and wide-eyed wonder. Students were immediately immersed in a world where history, science, and nature come alive.

Our F-Year 3 students put on their 3D glasses and soared across our breathtaking sunburnt country during an unforgettable IMAX screening. From towering Red Centre landscapes to leaping native wildlife appearing right before their eyes, the giant-screen 3D experience brought Australia's unique creatures and habitats to life for our youngest learners!

Our Year 4-6 students also stepped behind the scenes of democracy with an exciting add-on excursion to Parliament House. Walking through the majestic halls, students got a firsthand look at how decisions are made, laws are passed, and history is shaped. Even though the Melbourne weather wasn't on our side, the wet conditions turned into a bonus adventure: students got to ride a classic city tram straight through the heart of the CBD!

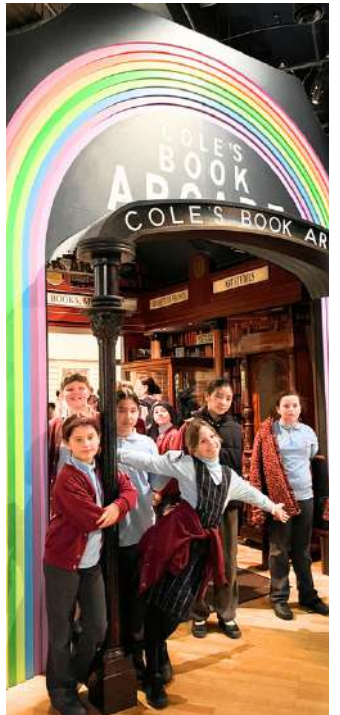

It was a fantastic day filled with great questions and big smiles. A huge thank you to all our parent volunteers who helped make the day so memorable and smooth!

BOOK WEEK

Last week, our school was buzzing with the magic of **Book Week**! We kicked off the celebrations with our Book Week Parade on Monday, and what a sight it was! The creativity on display was incredible, with so many wonderful costumes inspired by favourite book characters. We especially loved seeing the many handmade creations and fantastic op shop treasures that proved you don't need to spend a fortune to bring a character to life!

A highlight of the week was the amazing incursion, **Something Special**, which cleverly brought to life important messages and themes from the Children's Book Council of Australia books. Our students didn't just sit back and watch — they enthusiastically jumped into the performance and became part of the action!

Throughout the week, students immersed themselves in the wonderful world of books, stories and imagination. From dressing up and performing to reading, sharing and discovering new stories, it was a wonderful reminder of just how much joy a good book can bring. Thank you to everyone who helped make Book Week such a special celebration!

SOMETHING SPECIAL

A large collage of children and adults in various costumes, including dinosaurs, superheroes, and characters from 'Wonka & the Chocolate Factory'. Many are holding 'GOLDEN TICKET' signs. The background is a gradient of pink and purple. The collage is arranged in a grid-like fashion, with people in costumes of various colors and styles. Some are holding signs that say 'GOLDEN TICKET' or 'WONKA BAR'. The overall theme is a celebration of the movie 'Wonka & the Chocolate Factory'.

STUDENT AWARDS

Congratulations to all our students who continue to strive and thrive in both their learning and their behaviour. We are so proud of the way you represent our school.

Thank you for your hard work and for making such a positive contribution to our school community every single day!

PRINCIPAL'S AWARD

A huge congratulations to these outstanding students for receiving the Principal's Award! 🎉👏

They have shown an incredible attitude and have gone above and beyond to support our school community. Their kindness, generosity, and commitment to our school values truly make a difference.

Well done! We are so proud of you!

MACSSIS SURVEY

Melbourne Archdiocese Catholic Schools – School Improvement Surveys (MACSSIS) are conducted annually for Catholic schools in the Archdiocese of Melbourne. This year's MACSSIS window is from **Monday 31 August to Friday 18 September 2026**.

A survey link will be sent to randomly selected parents on Monday, 31 August, inviting them to complete the survey.

MACSSIS is a low impact, high return set of tools for creating, collecting, analysing, interpreting and using data to inform Catholic school improvement. MACSSIS produces **perception data**. This data tells us about what different people in a school community think and feel about their learning environment.

The surveys gather data from:

- students in Years 4–12
- families
- teachers and non-teaching staff.

Survey questions cover several domains, which vary across the student, family and staff datasets.

Keep an eye out for an email with your individual login details! We look forward to your support

MACSEYE

The September school holidays are just around the corner, and **MACSEYE** is excited to be running a fantastic holiday program at St Margaret's School in Maribyrnong! While the program is being held at another school, we know that many of our students may be interested, and children from our school are most welcome to attend.

With plenty of fun activities and exciting opportunities planned, it's a great way for children to stay active, have fun and enjoy the school holiday break with friends.

For all the important details, including dates, activities and how to register, please take a look at the flyer further down in this newsletter.

CHILD SAFETY

In this edition of the newsletter, you will find information about Child Safe Standard 7. We encourage all families to take the time to read and become familiar with this important standard, as understanding our shared responsibility helps us to keep every child safe.

The Child Safe Standards are a set of 11 requirements that organisations must follow to create environments where children feel safe, supported, and respected. They focus on preventing, responding to, and reporting concerns about child safety, ensuring that the wellbeing of every child is always the highest priority. Developed in response to recommendations from Royal Commissions, these standards guide schools in building a strong culture of care and accountability.

Safety**

Child Safe Standard 7

"Processes for complaints and concerns are child-focused."

As Catholic educators, we have a moral, mission-driven and legal responsibility to uphold and actively promote the wellbeing and safety of every student entrusted in our care. Our commitment to the protection of students includes ensuring that children, families and community members can raise complaints and concerns safely, are listened to respectfully, and understand how to access child-focused complaint processes that prioritise children's voices and wellbeing. Our Catholic communities uphold clear, accessible and child-centred policies and procedures for responding to complaints and concerns, supporting staff and volunteers to act promptly, lawfully and with integrity so that child safety and wellbeing are central to every response.

This newsletter series provides an overview of what the Child Safe Standards are, how they are designed to help keep children and young people safe and what schools governed by Melbourne Archdiocese Catholic Schools (MACS) are doing to prioritise and achieve this.

Why is it important that complaints and concerns are child-focused?

Children are safest when they know that adults will **listen** to them, take their concerns **seriously**, and act in **their best interests**.

When schools have clear and child-focused processes for handling complaints and concerns, children and families are **more likely to speak up early**.

This helps schools respond **quickly**, provide **appropriate** support, and **prevent** harm.

Child-focused processes also **promote fairness, transparency, and trust**, ensuring that concerns are addressed respectfully and with care for everyone involved.

Child Safe Standard 7

Child Safe Standard 7 reminds us that children and young people have the right to be heard, listened to, and responded to with care and justice. As scripture tells us:

"Learn to do good; seek justice" (Isaiah 1:17)

This teaches us that safeguarding children is not only about protection, but about acting justly when concerns are raised. It calls us to listen attentively, respond wisely, and place the dignity and wellbeing of children at the center of our actions.

By ensuring that complaints and concerns are handled through clear, accessible, and child-focused processes, Child Safe Standard 7 supports a school culture where children feel safe to speak up, families feel confident to raise concerns, and issues are addressed promptly and fairly, strengthening trust across the whole school community.

Working together for Child Safety

What does this look like in a school environment?

- **Clear and accessible policies and processes:** We provide simple, child-friendly and family-friendly ways to raise concerns or make complaints, including clear information about who to contact and what to expect.
- **Listening and taking concerns seriously:** All concerns raised by children, parents, carers, staff, or community members are treated with respect and care.
- **Timely and thoughtful responses:** Concerns are responded to promptly and thoroughly, with appropriate action taken to support safety and wellbeing.
- **Appropriate reporting and cooperation:** Where required, concerns are reported to relevant authorities, and the school cooperates fully to ensure children are protected.

How Parents, Carers and Guardians can get involved!

Child Safe Standard 7 works best when schools and families partner together to support children's safety and wellbeing. Families can help by:

- **Encouraging children to speak up:** Let your child know they can talk to you or a trusted adult at school if something doesn't feel right.
- **Knowing how to raise concerns:** Get familiar with the school's complaints and concerns policy and processes and who to contact if needed.
- **Sharing concerns early:** If you notice changes in your child or have a worry, raising it early helps the school respond quickly and appropriately.
- **Working in partnership:** Engage openly and respectfully with the school, knowing that listening, fairness, and child wellbeing guide how concerns are managed.

Want to know more?

If you have any questions or would like to learn more about how we're supporting child safety, please get in touch.

Gardening Club

This week the students decorated some cotton flags that will soon become a bright and colourful bunting that will hang over our veggie garden. Lots of creativity and colour. Be sure to check it out when it is up next week.

Our native plants and shrubs that were planted last month are growing well along the boundary fence. Luckily soccer balls have been flying past and avoiding the stakes and delicate flowering plants.

The veggies are looking fab with all this rain and sun. Students have been munching on snow peas and nibbling lettuce during their play time.

Spring is almost upon us!

R U OK?®

You're Invited: Parents' Morning Coffee Get-Together

When: Thursday, 10 September, 8.30 am

Where: School Yard

Join us for a relaxed morning coffee and the opportunity to connect with other parents.

Come along to share your successes, talk about any challenges you're facing, and simply ask one another, "R U OK?" It's a chance to catch up, see what everyone has been up to, and realise that many of us are experiencing similar things.

Together, we can listen, encourage one another, offer support, and strengthen our school community. Sometimes, a simple conversation over a coffee can make all the difference.

We look forward to seeing you there!

Outside School Hours Care Newsletter

Annunciation OSHC - Brooklyn

Term3

A message from the team

This week was filled with indoor fun challenges, creativity and teamwork! Children participated in a variety of fun challenges that encouraged teamwork, communication, cooperation and good sportsmanship. We were also excited to see the children take the lead by creating and initiating their own indoor fun challenge, explaining the rules and encouraging other children to join and have ago.

We also enjoyed a pancake cooking activity, where children developed their independence and confidence by following instructions, measuring ingredients, taking turns and working together to create delicious pancakes.

Upcoming Activity

Straw Painting

Any Suggestions?

Your feedback matters!
Grab a form and share your thoughts with us and let us know how we can improve our service.

Last day of Term 3

Friday, 18 September

at 1:00 PM
