## PRINCIPAL'S MESSAGE

Hello everyone

I don't know how everyone else is feeling but personally this has been the quickest term ever!!! It is difficult to believe that when we return after holidays it is the middle of July!

I am not sure all families will be looking forward to having children home again so soon after lockdown but hopefully you will get some time to just be together and not worry about remote learning or working from home.

My thanks to everyone for always being so supportive with the constant changes and interruptions. This certainly helps the wellbeing of all and I feel blessed to belong to such a tight knit community.

If you are able to head off somewhere on holiday I wish you safe travels and if you are remaining at home I hope that the time is one of rest and fun!

Stay safe everyone and see you on Wednesday July 14th.

Robyn

On the Tuesday we are looking at Visible Learning in Mathematics and we will be participating in online Professional learning here at school.

School starts for Term 3 on Wednesday July 14th

### News about Connie

Connie's leg is finally on the mend and she is hoping to return the first Tuesday after the holidays.. When Connie returns we will send accounts home so that you know where you are with school fees. Thank you to everyone for your patience and understanding. I have quickly learnt that Connie's secretarial skills are far superior to mine!!! We wish her the very best and hope to see her at school very soon.

### QR CODE

We are now mandated to have a QR code at all points of entry. If you enter the school you will now need to scan the code. There will be a code at the front door, the back door and on the Community room doors.

## Foundation Enrolments 2022

We are continuing to get many phone calls and we have quite a few enrolments for next year. Thank you to all the parents who continue to promote our school in the wider community. I had one family enrol yesterday due to the positive things being said about our school on a social media platform. Please keep promoting our school to any prospective parents that you meet!

**Thank you**

My thanks to Yvette (Liam and Connor's Mum) who requested a donation of a new flag from Tim Watts the local Federal Labor Member of Parliament. We have had some problems with previous flags not surviving the weather. The school captains will be in charge of putting the flag up every Monday.

*Happy Holidays!*
